Hi Sweetheart

How are you today Honey?
Feeling fine I hope. I feel pretty good,
but I have another heck of a job today.
It is Battalion duty driver, I have to
drive the big wheels around to where
ever they want to go. What a life.
Well how do you like the thought
of going back to school? You'll
probably meet some nice guy, so if
you do, and he wants to take you
out, please go with him, that is if
you like him. I don't want you
to sit home every damn night.

You are still pretty young yet so have all the fun you can. (Ahem) But not to much. See here I am talking like a big brother. Don't mind me Honey, but please don't pass up having fun because of me. I Love You an awful lot but I don't want you to miss out on anything. Okay sweetheart? The days are starting to move by pretty fast again, which is alright with me. I should be home in another fifty or sixty days. Maybe I'll even make it for Thanksgiving, but I doubt it. I had a real nice dream about you the other day, and "Oh Brother" all I can say is (MMMM) You looked good enough to eat, and I don't mean maybe. I hope you

will remember to send me some
more nice pictures of yourself. Will you?
See Honey, I just can't wait till I
get home, just so I'll be able to see you.
If I think of you during the day, the
day goes by pretty fast, otherwise it
just drags by. Please don't forget to
write to me Honey. With every letter
I get from you, I love you more and more.
Goodnight and God Bless You.

With All my Love
Bob
